#### CLASS PROPHECY

Staunton, Virginia July 10, 1962

Dear Ethel,

I just came back from my vacation in Florida, and decided I should write and tell you about it. I saw several of our former classmates of '58, and enjoyed talking to them.

I boarded a plane in Roanoke, and guess who accompained me on most of the trip? None other than Wilma Clark. She was going to meet her husband who is serving in the Army and stationed in Georgia. She told me that she had just received a letter from Josephine. Geel But was I surprised to hear that she is married. She's working as a secretary to her husband, who is a doctor.

When I got off the plane at Miami, I went in a Coffee Shop nearby. I recognized the owner at once. It was Cleotis Law. He told me where I could find a nice hotel and that Chester Riley was the manager.

As I walked past the theater, I saw a picture which caught my eye. Much to my surprise it was Joe Tuning and Eugene Humphreys. They were scheduled for a stage show at the theater that hight.

I went to the show which was a hugh success. They have changed their style. Now, they sing "rock and roll." As I entered the theater and got a seat near the front, I noticed a soldier sitting in front of me. I thought he looked familiar when the lights came on I saw that it was Bobby Smith. He seems to be doing very well. He is a 1st Lieutenant and stationed at Ft. Meade, Maryland. He said he heard that Ronnie Ford was serving in the Marines and was stationed at Paris Island, South Carolina.

On the last day of my vacation, I took a taxi to the airport. The driver of all people, was Oakie Loan! He really seemed to enjoy his work.

When I arrived in Roanoke and was hurrying down the street I nearly bumped into Donald Sams before I saw him. He had just come from the hardware store, where he ordered some materials for his sawmill at Milboro.

From there I went to Millboro to visit my parents. Jo Ann Brown and Louise Venable live up there. Jo Ann is now married, too. They both have beautiful homes and two cute children. Louise told me that Pat Tyree and Barbara Griffith are still attending Medical College in Richmond.

When I got back in Staunton about noon I called up Louise Cauley at Dunsomore. She agreed to have lunch with me. I had just finished telling her about my wonderful vacation when Ann Barnett and Darlene Marshall walked in. They had been shopping and stopped in for a bite to eat, before returning to their jobs in Washington.

How do you like your job as Airline hostess? If you ever get a chance, come around to see me.

Love, Joyce

#### CLASS HISTORY

My, how time does fly! It was on September 6, 1954 that we enrolled as freshmen with the attitude of never seeing our good ole junior and senior years. But here we are! This is the year we all have been looking forward to. Our rings! This is a dream that has last become a reality. I'm sure we will never forget it. Next year we hope to reach one of the biggest goals of our life when we enter in September 1958 as dignified seniors. We would like to thank the teachers, principal, and student body of Millboro High for helping make our junior class a success. We all will be looking forward to seeing you next year.
